Jamiat-ul-Ansar Newsletter

Nasiha of the Month

May this newsletter find everyone in the best of health, iman, and closeness to God, Almighty.

September is the time where our children start back school in every level of education, whether that be elementary, secondary, or post-secondary. May Allah grant them success throughout the school year.

It is also a time when the mosques start back their Quran and Islamic Education programs. It is very crucial that our children learn their

religion and feel proud of that Allah has given them faith and an Islamic household. We should make every effort to establish a household that inspires our children to feel proud of being a Muslim and also encouraging them to practice their faith. The Prophet, may Allah bless him and grant him peace, said, "The example of the house that remembers its Lord and the house that does not remember its Lord, is like the living to the dead." Our household will be alive with the Nur and Baraka of Allah if we remember Allah within it. Help your children to gain knowledge of their religion by enrolling them in the various madrasa programs at the mosque and encourage them to practice their din by being a good example to them in your homes and outside. May Allah preserve all of us on the right path.

O Allah, forgive the sins of the haji and forgive the sins of the one for whom the haji seeks forgiveness. -Hakim

(Sahih) (Imam Dhahabi concurred on its authenticity)

This was the dua' that the Messenger of Allah, may Allah bless him and grant him peace, used to make for those who came back from Hajj.

It is also reported in Sahih Muslim that when the Prophet, may Allah bless him and grant him peace, came back from a journey, the companions would greet him. So it is Sunnah to meet the hujjah when they return from fulfilling the rites of Hajj.

Whoever performs the Hajj pilgrimage to this house without having intimate relations or committing sin, then he will return pure of sin like the day he was born from his mother.—Bukhari

This is the reward of the Hajj, being completely reborn in purity and cleansed from one's sins. May Allah accept all of the dua's of the Hujjah and inspire us and give us the means to go and complete this sacred rite.

Quotes of the Month

Imam Ibn al-Jawzi, Allâh have mercy on him, said:

Wise people are unanimous that wisdom is not reached by relaxation and idleness. Therefore, whoever knows the fruits of laziness will avoid it, and whoever is aware of the fruits of hard work will endure the hardships of the path. Moreover an intellectual knows that he was not created in vain, rather he, in this world, is like a hired laborer or a merchant. The span of lifetime in this world, which is practically the life one is given to perform good deeds, and the span of time one is to spend in the grave is like a single moment compared to the eternal dwelling in paradise or in the hellfire.

From amongst the best cures for indolence is reading and reflecting on the biographies of those who strove. Therefore, I wonder at he who would prefer idleness in the sowing season and leaves yielding for the harvesting season.

-Ibn Al-Jawzi, *Tanbih al-Na'im a-Gamr 'ala Mawasim*
