Jamiat-ul-Ansar Newsletter

Nasiha of the Month

May this newsletter find everyone in the best of health, iman, and closeness to God, Almighty.

This month is officially Islamic History Month in Canada. This month, presentations on various aspects of Islam are given to the public and are displayed in open houses of our mosques and centres across Canada. Jamiat Ul Ansar will be having one of these events on Sunday October 21st for our fellow Muslims and Non-Muslims in Brampton. We will be displaying a number of boards giving information on Islam as well as having free copies of Quran.

It is vital that we try our best to help our fellow citizens, colleagues, neighbours, and friends to understand our religion so that we can have greater harmony and cooperation to better our society. This is one of the ways to accomplish this. Allah, Most High, says in the Quran, "Call to the way of your Lord with wisdom and a fair speech." The Prophet, may Allah bless him and grant him peace, said, "Love for humanity what you love for yourself." Please spread the message to your neighbours and friends to come out on October 21st starting at 2:00 p.m., God Willing. The displays will be on the bottom floor of the mosque.

Lastly, we would like to advise our community to please go and vote on Monday October 22nd. Please do your civic duty to elect the next representatives of Brampton.

The people of Paradise are three kinds: an authority who is fair, truthful, and guided, a man who has mercy and kindness in his heart towards his relatives and every Muslim, and one who refuses to beg although he has dependents. -Muslim

This hadith is found in Sahih Muslim in the Book on Paradise, in the chapter entitled, "Characteristics which are discernable in this world of the people of Paradise and the people of the Fire." We should try to be like those describes in this hadith.

The first thing to be removed from this nation will be humbleness, until you will not see anyone who is humble. -

Tabarani, Musnad al-Shamiyyin

- عَنْ أَبِي الدَّرْدَاءِ أَنَّ النَّبِيَّ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ قَالَ
أَوَّلُ مَا يُرْفَعُ مِنْ هَذِهِ الْأُمَّةِ الْخُشُوعُ حَتَّى لَا يُرَى فِيهِ
خَاشِعًا

This hadith is pivotal in that the Prophet, may Allah bless him and grant him peace, states that humbleness will be the first thing to be removed which will lead to more arrogance.
